Judges

The motion for immediate consideration is GRANTED. The motion to waive the transcript production requirement of MCR 7.209 is GRANTED.

The application for leave to appeal is DENIED for failure to persuade the Court of the need for immediate appellate review. It is premature for the Court to address the issues presented in defendant's leave application prior to jury selection. Defendant retains the opportunity to present these issues in a subsequent leave application, or on direct appeal if the trial results in a conviction.

The motion for stay pending appeal is DENIED.
